

## Update on Claudette Cain Park

Contributed by [stevedesroches.ca](http://stevedesroches.ca)  
Thursday, 24 July 2008

Residents may have noticed that construction is also underway on the recreational field house in Claudette Cain Park. The 1,100 square foot structure will contain washrooms, a small multipurpose room and well as a small canteen. The structure will be available for community use as well as storage for outdoor rink supplies, tables and chairs. The building will be a welcome addition to the park and will complement the planned play equipment, enhanced fields and summer splash pad. For more information, please do not hesitate to contact me.

Please read more to see the final concept plans.
