

Earth Day Poster Contest

Contributed by Steve Desroches
Friday, 13 March 2009

I am having an Earth Day Poster Contest in partnership with our local schools. The winning poster will be put on my website and submitted to the local papers. The topic is anything that has to do with the environment, so use your imagination.

The size of the poster should be 8.5 x 11" and be done on paper provided at your school or contact my office for paper. The due date is Wednesday, April 8th, 2009 and can be submitted to your teacher or to my office at 110 Laurier Avenue West, Ottawa On K1P 1J1. Please put your first name, grade and school information on the back of the poster. I look forward to seeing all of your posters.
